IVEL LUCAS, Local Editor and Reported POR STATE TREASURER. Col. JAS. H. GARRARD.

FRIDAY, JULY 5, 1861 When men accuse the l'resident of the United States of inaugurating the war, they ertainly do not stop to consider what const utes a state of war. They forget that his Carolina and the other States she had suc- inderation and comment. ceeded in dragging after her into rebellion resident, and that the facts were as stated by the President, and that the insurrection was ripening every day into more and more significance, under such circumstances of enormity and experiment would not be defended, but the Government would not be defended, but would be left to totter and fall beneath the parried ablows which were falling npon it. The public forts, the public vessels, and the property and money of the Government were illecally seized by bodies of armed men, who declared that they were the soldiers of rebellion, and disavowed all allegiance to the Union and all respect for its flag. The secoding States had announced that the consent they had given to the Constitution was withdrawn,—that what they called their original sovereignty was and freight on the railroad inst as the base of the state of the leastern division. and avowedly upon a military basis. They tired upon an unarmed supply-ship, sent out to furnish provisions to the garrison of a fort, the acknowledged property of the United States. They openly avowed defiance to the Constitution and Union in their place—

May We are not prepared at this moment to say what Kentucky englit to do in view of the carrison of the garrison of a fort, the acknowledged property of the United States. We think we may venture to say, in the name and behalf of the people of East Tennessee. We have no doubt that her promise will prove worthy of her character as a champion of peace but not less a champion of her own rights.

Bere entre body of citizens to the cordial and bearty support of the government of the Confellation.

We think we may venture to say, in the name and behalf of the people of East Tennessee, that, in consideration of the kindness with which it is proposed that they be treated, they will themselves practice kindness. They will themselves practice kindness. They hostile Constitution and Umon in their place- her own rights. forces that had for years, at great expense to the United States Government, been guarding that two trains were seized yesterday at compelled their surrender to the flag of the Southern Confederacy. They did all these things and declared, in the face of the nation and the world, that they would light to Nashville road I will be seen from a teleprivilege of uniting with them whenever those graphic despath that both the train from Louiside and the will be under the responsibility of their country, holding their own Legislature, enacting and executing and execut

wit, for in their conscience they know it to be should now pursue. war in spite of the Government. Their fraudulent defance of the popular will in their own States had brought secession to a pause, and they foresaw that it was likely to be arrested by the Border Slave States unless some scheme could be devised to excite their.

of these States." Nor will we yet surrender this hope, until the last link in the bean-tiful cycle of union is broken,—until the key-stone has fallen from its noble and majestic arch, and every star which hrightens it is veiled in darkness.

The defitor of without a "permit" from a government agent. Not only so, but they are also prohibited from hringing over their own railroad the money that their Southern customers one them.

The ditter with or without a "permit" from a government agent. Not only so, but they are also prohibited from hringing over their own railroad the money that their Southern customers one them.

The ditter with or without a "permit" from a government agent. Not only so, but they are also prohibited from hringing over their own railroad the money that their Southern customers one them.

The ditter with or without a "permit" from a government agent. Not only so, but they are also prohibited from hringing over their own railroad the money that their Southern customers one them.

The defitor of the Courier evidently keeps to be arrested by the Border Slave States unless some it is veiled in darkness. they had woven for themselves. It is manifest that they considered war as necessary to give life to secession, because by its farmishing a present for their cries of "coercion" and "subjugation," they hoped to consolidate the Slave States and thus effect a permanent dissolution of the Union. Their fire upon Fort Sumpter was the mere means to an end-coolly, calmly, and wickedly planned. They were plainly told beforehand that it would be considered an act of war. It was an act of war. War, as defined by 1 hi lists, is that size in which an asserted right is prosented. cars and delude them into the net of treason To the Editors of the Louisville Journal: custom-houses, postoffices, and to appropriate them, together with all the money of the mint and all the revenues of the postoffices and custom houses, to the purpose of subverting the We may add that a very restreptable business. collection of an excise duty which the General Government had levied upon whisky, and this son of customs by the United States, but detrampled the old flag of the nation under their suspected gentlemen aud ladies. feet, draggled it in the dirt, torn and be- We don't see why the South Carolinians constitutional charter which was consecra-

And all this, and more than this, was tolerated by the Federal Government with a submusivemess which began to look like timidity, and
was succeed at and derided as such by the
South itself.

Tier's grevances:

Arms have been at the Louisville end of the rolling-stock
at the Louisville end of the road.

South itself.

Not only was there, during all this time, no attempt at actual and open resistance by the parameter—there was not even such a concentration of the regular army of the nation as would make it effective for defence and promotion. No in littary enhancements were going on utside the ecceling Soutes and those in sectral conspiracy with them. The drum and the and the tramp of armed men were heard.

Tennessee, it seems, puts the road under martial law. It is announced that no further solution of the regular army of the nation swould make it effective for defence and promotion is entable to the ecceling Soutes and those in sectral conspiracy with them. The drum and the and the tramp of armed men were heard.

Tennessee, it seems, puts the road under martial law. It is announced that no further solution for the martial law. It is announced that no further solution of the regular army of the nation get other trains into the Tennessee trap. Undoubtedly all railroad communication is ent off between Nashville and Louisville by the high-handed proceeding of Tennessee. We are not prepared, as we have said, to express the road under martial law. It is announced that no further solution for the south, Gov. Magoflin's Souther agent pledging himself before the purchase, in a public speech, that, if the arms should be furnished, Kentucky, who was waiting only for them, would go into the Southern Confederation it and hundershafe from the South, Gov. Magoflin's Southern Light and hundershafe from the South, Gov. Magoflin's Southern Light and hundershafe from the South, Gov. Magoflin's Southern Light and hundershafe from the South, Gov. Magoflin's Southern Light and hundershafe from the South, Gov. Magoflin's Southern Light and hundershafe from the South, Gov. Magoflin's Southern Light and hundershafe from the South, Gov. Magoflin's Southern Light and hundershafe from the South, Gov. Magoflin's Southern Light and hundershafe from the South, Gov. Magoflin's Southern Light and hundershafe from the south of a public speech ne and the tramp of armed men were heard nowhere else. And all candid men must ad-

the government, during all this time, was the government, during all this time, but have given up preference to one over the controversy between the North and South. We have given up preference to one over the other, but have stood by the rights of each, as the government, during all this time, was other, but have stood by the rights of each, as the government, during all this time, was other, but have stood by the rights of each, as other than the formal of creat surprise to many and of amment by everybody. The government extensive and possibly, with some firmness. We have defended the South when assailed by would scatter devolation, whatever its result, would scatter devolation, whatever its result, the North and have cultivated and cherished the South when assailed by the South, and have cultivated and cherished the South when assailed by the South, and have cultivated and cherished the South when assailed by the South, and have cultivated and cherished the South when assailed by the South, and have cultivated and cherished the South when assailed by the South, and have cultivated and cherished the South when assailed by the South, and have cultivated and cherished the South when assailed by the South, and have cultivated and cherished the South when assailed by the South, and have cultivated and cherished the South when assailed by the South, and have cultivated and cherished the South when assailed by the South, and have cultivated and cherished the South when assailed by the South w the Sonth, and have cultivated and cherished the conviction, that, in their Union, the nation warrier by habit or inclination, and he greatly preferred that the nation should continue to pursue its accustomed paths of peace, and thus fulfill its proud and glorious destiny. But we all know that these just feelings were not reciprocated by the desperate leaders in the work of secession; they absolutely spurned his moderation and langhed at his forbearance as cowardice. They were resolved upon having war in spite of the Government. Their this hope, until the last link in the bean-specific of the southern of these States." Nor will we yet surrender this hope, until the last link in the bean-specific of the southern of the sentence of the southern the southern of these States. "Nor will we yet surrender this hope, until the last link in the bean-specific of the southern the southern southern the southern southern the southern the southern the southern southern the southern southern
